

**Entitle project – CES Coimbra**  
**Reading and discussion group programme**  
**Fall term 2012**

Dates: October 25, 2012 to January 31, 2013

Place: CES Coimbra, sala 6

Instructors: Marco Armiero, Stefania Barca, José Caldas, Boaventura de Souza Santos, Rita Serra  
Series coordinator: Stefania Barca

This first series of reading group discussions aims at getting participants in touch with some of the basic references in Political Ecology writing, with attention to disciplinary, geographical and gender diversity. It is mainly concerned with issues of epistemology (postmodern, feminist, southern, postcolonial), while also including general overviews of the PE literature and related fields, such as Ecological Economics and Science and Technology Studies.
